

PDMP Integration Implementation Report: Q3 2025

This report provides information on implementation efforts and continued adoption of integrated access to the PDMP database, a joint initiative sponsored by HIT Commons and OHA.

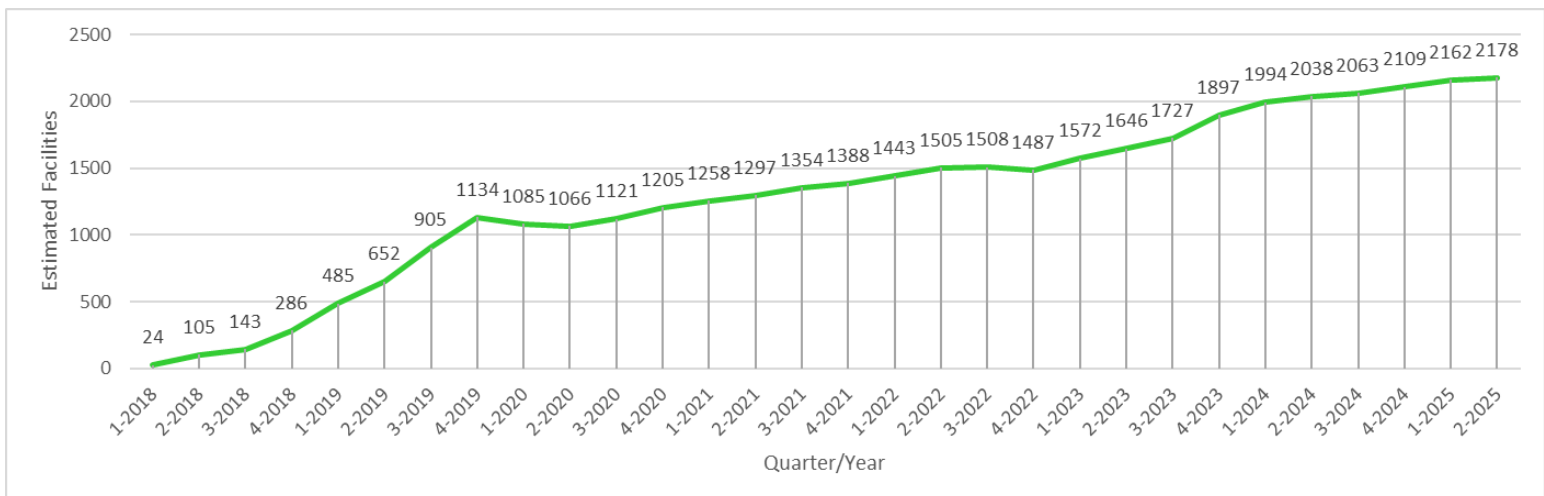

This quarter, there were **31 new integrations** allowing PDMP-i access via EDIE*, their electronic health record or via a pharmacy setting.

****Each graph below displays quarterly data points each reflecting the number of successful requests within the quarter. Data points are of facilities and users in Oregon only.**

USERS ACCESSING PDMP-I OVER TIME

A user is defined as a PDMP-registered prescriber with a successful request return from PMP Aware. A user is determined by unique NPI/DEA Number. A user may have multiple NPI/DEA Numbers.

FACILITIES ACCESSING PDMP-I OVER TIME

An active facility is defined as a PDMP-registered facility with a successful request return from PMP Aware. A facility is determined by unique facility ID.
